# About Us

At **CanEd Academy**, we redefine learning by bridging the gap between traditional education and real-world skills. As a venture of Candour Solutions, a leading healthcare quality consulting firm, our academy draws upon a legacy of expertise and innovation to prepare students for the challenges of modern workplaces through practical, hands-on learning experiences that goes beyond theory.

Our Parent Company Candour Solutions, founded by Dr. Anjana Menon, is a pioneering organization in the healthcare quality management sector. With more than two decades of experience in the healthcare quality management field, Ms. Menon envisioned revolutionary changes in healthcare and related areas.

Today, Candour Solutions stands as a one-stop solution provider for all healthcare-related requirements, supported by domain experts across various segments of the industry. Their mission is to educate, guide, and ensure excellence in every aspect of healthcare services.

At **CanEd Academy**, we embody this ethos of excellence by serving as a finishing school that transforms knowledge into confidence and learning into earning. More than an institute, we are a bridge to your professional success. Join us to leverage the expertise of Candour Solutions and take your skills to the next level.
